3 Authorisation

I understand that the facility to pay fees and premiums results in the generation of an invoice to the FirstChoice Employer Super Clearing House after these fees/premiums have been deducted from employees accounts.

I understand I will be invoiced based on the percentage I chose, regardless of changes to the actual fees/premiums from time to time.

I understand that the Trustee³ will not change the percentage I chose in any invoice even if actual fees/premiums changes, unless I apply to the Trustee to change the percentage.

All employees who were part of the plan at month end will be included in this invoice.

I confirm that I am required to confirm and pay for any invoice generated via the FirstChoice Employer Super Clearing House in respect of voluntary contributions to my employees.

Note: The voluntary contributions you make will be taxable contributions (unless paying from the reserve) and will count towards concessional contribution caps for your employees.
