Trustee and Operator update – Investment List

Avanteos Investments Limited (AIL) as RSE Trustee, and Colonial First State Investments Limited (CFSIL) as IDPS Operator, regularly review the investment options available on our platform investment list. Following a recent platform review, a decision has been made to remove the following investment option from the investment list for CFS Edge Investments (IDPS) investors, and CFS Edge Super and Pension members.

This outcome was the result of two key developments:

- Equity Trustees Limited's appointment of Tacking Point Asset Management as investment manager, replacing Vertium Asset Management Pty Ltd on 5 August 2026, and
- Lonsec's downgrade of the fund to a Redeem rating.

Managed funds

What does this mean for impacted members?

The fund is no longer available for new investments. However, IDPS investors and Super and Pension members with existing holdings may continue to hold or sell their units in the usual manner but will not be able to purchase additional units. Your financial adviser can also discuss with you whether these funds remain suitable for your investment strategy.

If you have any questions, please contact your financial adviser.

Yours sincerely,

Colonial First State
