Past performance is not an indicator of future performance for this option or any other option available from Colonial First State.

Returns are calculated on a cumulative year-on-year basis which are then annualised. For funds that have been in existence for less than one year, the since inception performance is actual performance since inception and not annualised. Calculations are based on exit price to exit price with distributions reinvested, after ongoing fees and expenses but excluding individual tax, member fees and entry fees (if applicable). Please refer to the PDS for full details of the applicable fees, costs, and benchmarks.

### Investment objective

To provide long-term capital growth from a diversified portfolio of predominantly smaller listed global shares. To outperform the MSCI World Small Cap Net Index, over rolling three-year periods before fees and taxes.

### Investment strategy

To invest in a diversified portfolio of predominantly smaller listed global shares. The investments are managed by a leading global small companies manager. The portfolio does not hedge currency risk.
