All income, including realised and unrealised capital gains and losses, and expenses for all investment options are brought to account and are fully reflected in the unit price of that option. Income is exempt from taxation in this Personal Pension Plan.

Trustee's Policy for the use of Derivatives

The Trustee has a detailed Derivatives Risk Statement which covers the use of derivatives, the-controls over their use, and the processes of assessing compliance with those controls. These policies and controls are intended to ensure proper use of derivatives. The Fund has an indirect exposure to derivatives through its investments in other managed investment schemes managed by the Trustee. Derivatives are used in the underlying investments as an alternative to direct purchases or sales and not for trading purposes.

Temporary Residents

If you are a temporary resident and have not requested a DASP benefit within six months of the later of your temporary visa expiring and you leaving the country, we may be required to pay your account balance to the ATO. In these circumstances you will no longer be a member of the fund and you will lose any insurance cover. You will also no longer be invested in your chosen investment option(s). We are not obliged to notify or give an exit statement to you in this circumstance as allowed by ASIC Class Order 09/437. Generally, no interest accrues on your account balance from the time it is paid to the ATO. Once your account balance has been transferred to the ATO, you may claim your benefit by contacting the ATO and downloading a DASP application from its website, ato.gov.au, or by calling on 13 10 20 or emailing it at DASPmail@ato.gov.au.

Superannuation Contribution Surcharge

The superannuation surcharge was a tax paid by higher income earners on certain supercontributions and employer-paid ETPs. The superannuation surcharge has been abolished for contributions made after 1 July 2005. Superannuation surcharge still applies to contributions made in previous years and these amounts will continue to be assessed by the Australian Taxation Office (ATO). The ATO will contact the investor directly regarding any superannuation surcharge obligations. Surcharge may be deducted from the investor's account and will be taken in proportion to the amounts held in the investor's different investment holdings at that time.

Transfer to the Eligible Rollover Fund (ERF)

If an investor's account balance is below \$5,000, or written communications are returned unclaimed (defined as 'lost' under superannuation law), then their benefit may be transferred at no additional cost to an ERF. The transfer will take place on the date specified in our communications to you.

Other important information
