

Identification and verification

Completing the identification form for Unregulated Australian trusts and foreign trusts

Identification and Verification

Anti-Money Laundering & Counter-Terrorism Financing laws require Colonial First State Investments Limited (CFSIL) to establish the identity of its clients (and other persons associated with a client's account). **To do this, you need to complete the attached form and this instruction sheet will assist you in doing so.**

Verifying the information

All documents are required to be verified; there are a number of ways this can occur:

- If you have an adviser they are able to verify documents on our behalf and will need to complete section 4 of the form.
- If you **do not** have an adviser, you will need to get the documents stated in section 3 of the form correctly certified (see section 'How do I get a document certified?') in order for CFSIL to verify them on your behalf. Please then send the certified documents along with your completed identification form to us.

What do I need to complete?

The sections you complete of the attached form depend on what type of Trust you are. A tick (✓) will represent the sections mandatory to be completed. A brief explanation is provided for the sections that are only relevant to some customers.

Firstly you need to identify what type of Trust you are.

Are you a:

- Unregulated Trust eg a Trust that is not regulated by the Australian Securities and Investments Commission ('ASIC'), the Australian Taxation Office ('ATO') or the Australian Prudential Regulation Authority ('APRA')
- a family trust, charitable trust or testamentary trust
- other unregulated trust types.

Will documents in a language other than English be accepted?

Documents that are written in a language that is not English must be accompanied by an English translation prepared by an accredited translator. An accredited translator is any person who is currently accredited by the National Accreditation Authority for Translators and Interpreters Ltd (NAATI) at the level of Professional Translator or above.

How do I get a document certified?

To be correctly certified, we need the document(s) to be certified as 'True copy of the original document' and signed by a:

- Justice of the Peace

- Solicitor
- Police Officer
- Magistrate
- Notary Public (for the purposes of the Statutory Declaration Regulations 1993)
- Employee of Australia Post (with two or more years of continuous service)
- Your financial adviser (provided they have two or more years of continuous service)
- Your accountant (provided they hold a current membership to a professional accounting body)
- Australian consular officer or an Australian diplomatic officer (within the meaning of the Consular Fees Act 1955)
- An officer of a bank, building society, credit union or finance company provided they have two or more years of continuous service.

The party certifying the ID document(s) will also need to state what position they hold and sign and date the document(s). If the certification does not appear on the document(s), you may be asked to send in new certified documents. There are additional persons who can certify documents. A full list of the persons who can certify documents is available from our forms library at cfs.com.au.
