All returns are calculated on an annualised basis using exit price to exit price with distributions reinvested, net of management costs, transaction costs and for FirstChoice Personal Super and FirstChoice Employer Super net of tax payable by the trustee. All return calculations exclude contribution surcharge, excess contribution tax or individual taxes payable by the investor and all other fees and rebates disclosed in the relevant Product Disclosure Statements (PDSs). For FirstChoice Investments, the 'distribution' component is the amount paid by the way of distribution, which may include net realised capital gains.

Please refer to the PDS for full details of the applicable fees, costs, and benchmarks. The Target Market Determinations (TMD) for our financial products can be found at www.cfs.au/tmd and include a description of who the financial product is appropriate for.

Investment objective

To provide a balance of income and capital growth over the medium-to-long term. To outperform the option's composite benchmark over rolling three-year periods before fees and taxes.

Investment strategy

To allocate 50% of investments to growth assets such as shares, property and infrastructure securities and 50% to defensive assets such as fixed interest and cash. In order to provide additional diversification, the portfolio is allocated across a number of leading investment managers. The portfolio aims to hedge currency risk except for the allocation to emerging market shares and part of the allocation to global shares.

Investment category

Moderate

Minimum suggested timeframe
