FirstChoice Personal Super Statement

What's happened since your last statement

This time 6 months ago
 Current balance as at 31 Dec 2020
 \$106,871.58
 \$109,549.50

Refer to the summary below to find out what influenced the change in your balance. Please note that not all the fees you pay show as transactions in 'Your account transactions'. For more information on how your investment options performed, go to our website.

Hide how your super balance has changed ^

Super is designed to provide you with a source of income when you retire. As markets can go up and down, understanding your balance over the longer term can give you a clearer picture of how your investment is tracking.

N/A	N/A	N/A	\$79,253	\$109,549
30 June 2017	30 June 2018	30 June 2019	30 June 2020	30 June 2021 Current balance

For more details on your funds' performance, please talk to a financial adviser or visit our [Investor Review](#) website.

Your transaction summary
 1 Jan – 30 June 2021

CREDIT	What your employer put in for you \$0.00 Choose where your super gets paid	DEBIT	Fees & taxes \$0.00	Change in your balance \$2,678.40 SEE TRANSACTION HISTORY
	Extra super you put in \$0.00 Grow your super and pay less tax		Insurance premiums \$0.00	
	Super you rolled over \$0.00 Bring your super together		Investment return \$409.20	
	Other \$3,087.60		Withdrawals \$0.00	
			Other \$0.00	

We think it's important that you understand your product and whether it's suitable for your retirement needs. There are other products available with different fee structures and features. Speak to an adviser before making any decision to change as it's important to consider the impact on your investment strategy, insurance, Centrelink entitlements and any other financial needs you may have.

Your account balance

This shows the change in your account balance over the past six months.

How your super balance has changed

This long-term view shows you how your account balance has changed year to year.

Your transaction summary

The credits show what's been added to your account over the past six months, eg super contributions and investment performance. The debits show what's been deducted from your account, such as withdrawals and insurance premiums.

How your money is invested

The main asset classes that people refer to are cash, fixed interest, property and shares. The reason why it's so important to understand asset classes is because they each have different levels of risk and return.

Your Defensive Assets	Total = 57.00%	Value
● Cash	15.60%	\$17,089.80
● Australian Fixed Interest	17.40%	\$19,061.70
● Global Fixed Interest	24.00%	\$26,291.98
Your Growth Assets	Total = 43.00%	Value
● Property Securities	12.90%	\$14,131.95
● Australian Shares	11.20%	\$12,269.60
● Global Shares*	18.90%	\$20,704.95

* The asset type may include allocations to alternatives

Note: This represents the percentage of your account invested in each of the major asset class as at 30 June 2021.

Your insurance

Your cover

Death cover	No cover
Total & Permanent Disabling cover	No cover
Salary continuance cover	No cover

Insurance can offer more financial security and help you and your family get through life's challenges. There can be advantages to having insurance cover inside your super, such as reduced costs and tax savings. We recommend you speak with a financial adviser about insurance options that best suit your needs or call us for more information.

Your premiums

Your estimated premiums are charged monthly.

Death premium	N/A
Total & Permanent Disabling premium	N/A
Salary continuance premium	N/A

Your beneficiaries

You do not have a valid nominated beneficiary.

Where your money is invested

Each of the investment options in your super account is listed, along with its one, five and ten year returns (if applicable).

How your money is invested

This section represents the percentage of how your money is invested by using two main investment groups – growth and defensive.¹

Your insurance, premiums and beneficiaries

If you have insurance cover in your super account, your cover amount and premiums will be shown. And if you've nominated beneficiaries, they will be listed here.

Suggested actions

Personalised suggested actions will be displayed based on what information we have on file.

Your statement includes a superannuation breakdown, which provides details of any contributions you or your employer made to your account over the past six months, as well as a detailed list of your account transactions and any fees you paid over the period.

For more information on how your investment options are performing, log on to FirstNet via our website at colonialfirststate.com.au and click on the **Funds & Performance** tab.

We're here to help
