4 DECLARATION

If I have requested that my cover be reduced or I have requested that some, but not all, of my cover be cancelled, I understand that:

- if I currently have 'employer selected cover' (default cover), my reduced cover will be treated as a fixed amount of 'investor selected cover'
- my amount of cover, and the cost of my cover, may change in accordance with the insurance policy terms
- I can cancel or reduce my insurance cover at any time
- my insurance cover may end in circumstances set out in the Product Disclosure Statement and Insurance Booklet (for example if there are insufficient funds in my account to meet insurance premiums)
- by keeping the insurance cover, future premiums will continue to be deducted from my account and may reduce my super.

If I have requested that any of my cover be cancelled, I understand that:

- I will no longer have insurance premiums deducted from my super account for cover that I have cancelled
- I won't be able to claim for any insured events that occur after my cover is cancelled (but I will be able to make a claim for any insured events that occurred before my cover is cancelled)
- if I want insurance cover in the future, I will need to complete a new insurance application and provide information about my medical history. I understand that the insurer may accept or decline my application.
