^ Custom benchmark (refer to PDS for details)

Past performance is not an indicator of future performance for this option or any other option available from Colonial First State.

Returns are calculated on a cumulative year-on-year basis which are then annualised. For funds that have been in existence for less than one year, the since inception performance is actual performance since inception and not annualised. Calculations are based on exit price to exit price with distributions reinvested, after ongoing fees and expenses but excluding individual tax, member fees and entry fees (if applicable).

Please refer to the PDS for full details of the applicable fees, costs, and benchmarks.

Investment objective

To provide capital growth and income over the long term. To outperform the fund's composite benchmark over rolling three-year periods before fees and taxes.

Investment strategy

The option is managed to sustainable investment criteria that encourages investment in companies with a sustainable business and strong environment, social and governance characteristics. It seeks to avoid investments in certain companies or activities that have a highly adverse effect on the environment or society.
