### How do I have my identification certified?

Firstly, make a copy of the original document (e.g a valid Driver's licence or passport). Take the document and the copy to an authorised person (e.g Justice of the Peace or a Police officer).

To be correctly certified, the copy of the document needs to have an authorised person place an original signature on each page of the document to certify it is a true copy of the original. A full list of authorised persons is available below.

All certified copies of documents must have, (written in English) on every page:

- The words "A true copy of the original document"
- The authorised signatory's name
- The authorised signatory's job (such as Police Officer)
- · The authorised signatory's signature
- The date the copy of the document was certified

You can either mail the forms to us or alternatively you can log into Netbank and send us scanned copies. Select your Essential Super account in NetBank and then select > Transactions > My account > e-Post a request or upload scanned form.

If you have any questions, please speak to one of our Essential Super team on 13 4074, Monday to Friday between 8.30am and 6pm Australian Eastern Standard Time.

### About Your Tax File Number (TFN)

Why can we ask for it? Under super law (Superannuation Industry (Supervision) Act 1993), we can collect, use and disclose your TFN.

How will we use it? If you give us your TFN, you are giving us consent to use it for legal purposes. This includes disclosing your TFN to another super fund, when your benefits are being transferred, unless you request us in writing not to disclose your TFN to any other super provider; and where applicable and unless you opt out, searching for your other super accounts (see below). If you provide your TFN, it will be treated confidentially. You should provide us with your TFN when you join Essential Super. If you don't provide us with your TFN, we are required under law to only accept certain types of contributions and additional tax may apply.

What are the advantages of providing it? You don't have to give us your TFN – it's not required by law. But giving us your TFN has the following advantages:

- we will be able to accept all permitted types of contributions to your account(s);
- other than the tax that may ordinarily apply, you will not pay more tax than you need to - this affects both contributions to your super and benefit payments when you start drawing down your super benefits;
- and it will make it much easier to find different super accounts in your name so that you receive all your super benefits when you retire.
- Please note: The legal purposes may change in the future following legislative change, and the advantages of providing your TFN may also change.

### How do we use your TFN to search for your other super accounts?

With your consent, when we search for your other super accounts, you are consenting to us acting on your behalf and using your TFN to search the ATO's SuperMatch program for super amounts held on your behalf by the ATO or by other super funds (and seeking more information from those funds about the accounts found). This consent will be held into the future and will allow us to complete periodic searches. If at any time you wish to withdraw your consent, please contact us on 13 4074. We will let you know the results of all searches. Then, you can decide if you would like us to consolidate your super accounts with us. If you need advice on super consolidation, please talk to a financial adviser.
