^ Bloomberg AusBond Bank Bill Index (100%)

Past performance is not an indicator of future performance for this option or any other option available from Colonial First State.

Returns are calculated on a cumulative year-on-year basis which are then annualised. For funds that have been in existence for less than one year, the since inception performance is actual performance since inception and not annualised. Calculations are based on exit price to exit price with distributions reinvested, after ongoing fees and expenses but excluding individual tax, member fees and entry fees (if applicable). Please refer to the PDS for full details of the applicable fees, costs, and benchmarks.

Investment objective

To provide stable returns with very low risk of capital loss by predominantly investing in money market securities and bank deposits. To outperform the Bloomberg AusBond Bank Bill Index over rolling one-year periods before fees and taxes.

Investment strategy

To invest in a diversified portfolio of money market securities, bank deposits and annuities to deliver stable returns. The investments are managed by leading cash managers and on deposit with Australian banks.
