Additional information on setting up account types

Joint accounts

If this is a joint application and you have not advised us otherwise, either applicant may operate and transact on the account without the authority of the other applicant.

Please note: If there is a dispute relating to your account (for example, inconsistent instructions given by the applicants), we reserve the right not to process the transaction until we receive a court order, which advises us on how to deal with your account.

Accounts on behalf of a minor

We do not accept any investments in the name of a minor (under 18 years of age); however, the investment may be held 'as designation' for the minor. In order to set up an account as designation for a minor, please insert the minor's name in the 'Account designation' field under section 2. It is important that you also complete Investor 1 and/or Investor 2 as owners of the account, and provide the TFN(s) of the investor(s) rather than the minor. If you would like to set up accounts for more than one minor, then you will need to complete a new application form for each minor.

Superannuation fund or trust

Please insert the entity's name under 'Superannuation fund/trust'. We will also require information of the trustees. To supply this trustee information, please complete Investor 1 and/or Investor 2 if trustees are individuals. If the trustee is a company, please complete the 'Company name' field.

Default order for deduction of fees and management fees and costs rebates

Please note: Where amounts are to be deducted from or credited to your investment; for example, adviser service fees or management fees and costs rebates, and no option or an invalid option has been nominated by you, a default order exists. Generally, the default order draws from or credits to your more conservative option, as determined by us. Please call Investor Services on 13 13 36 should you require further information.
